

Official Address of the FIDUO President, Mr. Jonathan Adewumi to the General Assembly on 10th September, 2017.

To God be the Glory!

Distinguished Ladies and Gentlemen Members of FIDUO I am honored and grateful to you for your trust in me and this administration to lead our community focused organization for the next three years.

First, I will like to thank the outgoing Executive for making today possible. May God continue to be with you as well as Members of FIDUO and contributing members of the community.

We are indeed fortunate in Ikun Ekiti to have His Royal Majesty Oba Olatunde David Olusola, the Onikun of Ikun Ekiti as our Royal Father. His Majesty brings an air of friendship, tolerance and service to our beloved community. It is this personality that I would like us to emulate here in FIDUO.

Gone are malicious and counterproductive posts on our social media platforms, from now on we are all our brother's keepers and love will reign in this association.

As it has been said before, "It takes a village" not just to raise a child, but a community as well.

This administration is not a one man show. Every member of the Executive has a role to play as outlined in our constitution, I will hold each officer accountable to the exceptional performance of those duties.

For the body at large, we are starting a fresh new page in history. I implore all of you to come back to FIDUO as contributing members, change agents towards a new day and vision for prosperity in Ikun Ekiti. I look forward to hearing your feedback and recommendations on how to strengthen our community and FIDUO together.

Over the next few weeks, we will be working on some very important tasks such as the reinstatement of our 501c status, change of the FIDUO bank account for greater convenience for members and our Honorable Treasurer. In addition, because of our visit to Bowie State University I have asked Rev. Awojobi to spearhead our dialogue and eventual MOU with the University.

To streamline our FIDUO Communication we will maintain the Official FIDUO what's app page and email with a slight change that posting to the medium will only be made by our Honorable Secretary Mr.Dipo Oyeleye. Submissions should be sent to his email:oyelad06@yahoo.co.uk.

We will also set up a social FIDUO What's app page where each member can freely post.

Again, I and the entire FIDUO Executive Board thank you for this opportunity to be of service to you and our dear Amure Ikun.

Yours,

Jonathan Adewumi

FIDUO President
